Headline:
Mostly dry tonight and Thursday morning. Rain Thursday afternoon.

This Evening and Tonight:
A few showers this evening, but mostly dry with some sunny spells in the west. Then a largely dry night with a few clear spells. Thicker cloud and a chance of rain in the far west by dawn. Minimum temperature 10 deg C (50 deg F).

Thursday:
A dry morning with some bright spells in the east. Cloudier with occasionally heavy rain in the west. Showery outbreaks of rain more widespread in the afternoon, freshening southeast winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Friday to Sunday:
A very showery theme with outbreaks frequent, occasionally prolonged and heavy, bringing further risk of thunderstorms and potentially localised flooding.
